Defendant(s).)	

Pursuant to the Status (Pre-Trial Scheduling) Order in this action, the initial deadline for expert disclosures was July 16, 2021 and supplemental disclosures was July 30, 2021. (See Docket No. 11.) Through Stipulations and Orders those deadlines were extended to August 16, 2021 for expert witness disclosures and August 30, 2021 for supplemental disclosure and disclosure of rebuttal witnesses. (See Docket Nos. 16-18.)

The parties have now completed the initial expert witness disclosures. However, based on new issues raised in the disclosures and the availability of experts, defendant will require a short extension of time to complete supplemental and rebuttal disclosures.

Therefore, the parties jointly request the Court extend the deadline for supplemental disclosure and disclosure of any rebuttal experts to September 13, 2021.

Additionally, while expert disclosure deadlines have been extended in this case, the

1 discovery deadline set forth in the initial Pre-trial Scheduling Order has not, leaving insufficient
2 time to complete the remaining discovery, including expert discovery following the disclosures.
3 Therefore, parties also jointly request a 30 day extension on the discovery deadline to October 18,
4 2021.
